Contact Number _____

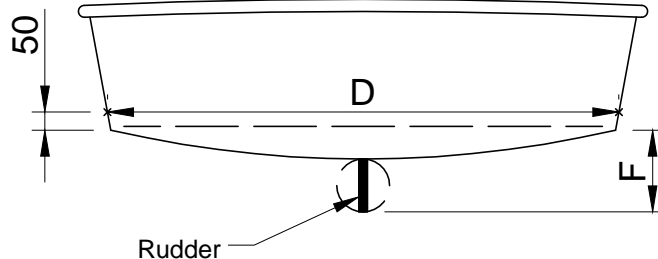

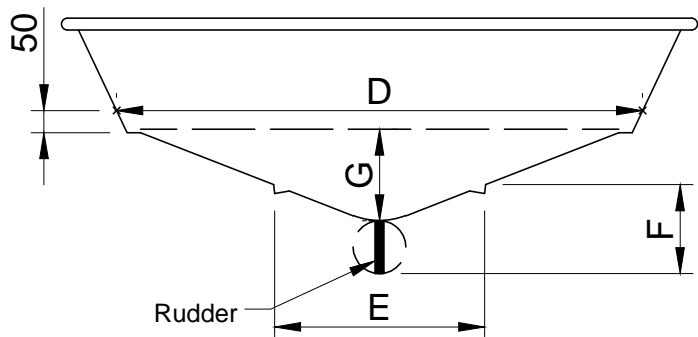

Boat Model _____

Trailer Vin No. _____

"D" is used to ascertain the width required between the mudguards.
Please supply the boat width at top of mudguard if on existing trailer.

SPECIAL NOTES:

(Please draw/advise of any unusual fittings that may interfere with trailer design - supply photos)

A _____ (Axle Position)

B _____

C _____

D _____

E _____

F _____

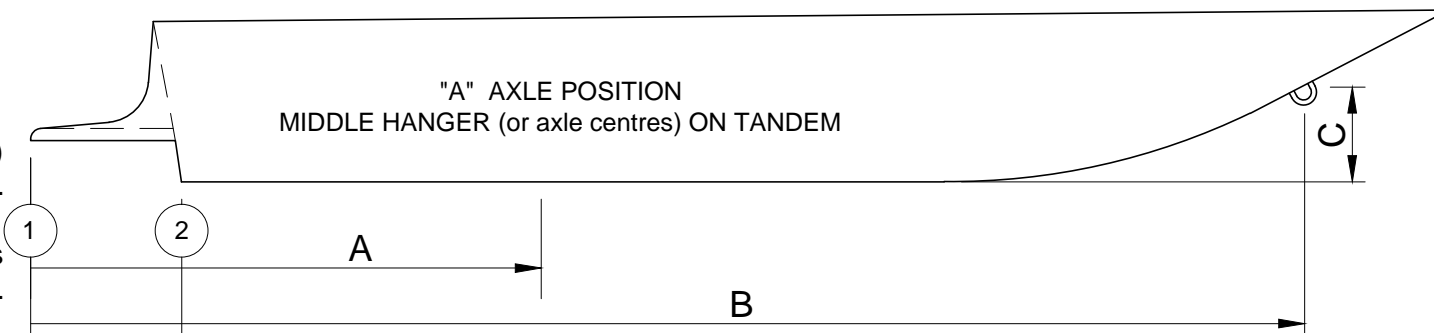

G _____

Please circle which hull style suits your boat.

(Please record 'N/A' for ALL not applicable dimensions)

Dimensions for moulded (part of the hull) platforms are generally taken from position 1.

Dimensions for bolt on / fold down platforms are normally taken from position 2.

Please clearly mark the position either 1 or 2 where you have taken your measurements from as this will determine the rear of your trailer.

Ensure both A and B are measured from this same position.

Remember the more accurate your measurements the better your trailer will fit !
